Power Dock Includes:

1-Charging Dock
1-Rechargeable Battery

HOW TO USE CHARGING DOCK

1) Insert the cable from the Charging Dock into the Xbox 360 console for power.

2) Slide the battery into the Charging Dock. Snap it into place.

3) While the battery is charging, the red "CH" light will be lit. Once the battery is fully charged, the green "FULL" light will light up. You are then ready to use the battery.

4) To dislodge, press the button located on the top side of the battery and slide it out of the Charging Dock.

INSERTING YOUR RECHARGEABLE BATTERY

1) Press the tab on top of the Rechargeable Battery and pull down to detach from the controller.

2) Insert the Rechargeable Battery into the battery compartment located on the back of the controller and lock into place.

NOTE: Avoid pinching your fingers by pushing only on the flat surface of the Rechargeable Battery.
